### **Proclamation Building Safety Month — May, 2017**

Whereas, our Village is committed to recognizing our growth and strength depends on the safety and economic value of the homes, buildings and infrastructure that serve our citizens, both in everyday life and in times of natural disaster, and;

Whereas, our confidence in the structural integrity of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, trades people, design professionals, laborers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

Whereas, these guardians are dedicated members of the International Code Council, a U.S. based organization, that brings together local, state and federal officials that are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, worship, play, and;

Whereas, our nation benefits economically and technologically from using the International Codes® that are developed by a national, voluntary consensus codes and standards developing organization, our government is able to avoid the high cost and complexity of developing and maintaining these codes, which are the most widely adopted building safety and fire prevention codes in the nation; these modern building codes include safeguards to protect the public from natural disasters such as hurricanes, snowstorms, tornadoes, wild land fires, floods and earthquake; and;

Whereas, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown guardians of public safety—our local code officials—who assure us of safe, efficient and livable buildings that are essential to keep America great, and;

Whereas, “Code Officials—Partners in Community Safety and Economic Growth” the theme for Building Safety Month 2017, encourages all Americans to raise awareness of the importance of building safe and resilient construction; fire prevention; disaster mitigation, and new technologies in the construction industry. Building Safety Month 2017 encourages appropriate steps everyone can take to ensure that the places where we live, learn, work, worship and play are safe, and recognizes that countless lives have been saved due to the implementation of safety codes by local and state agencies, and,

Whereas, each year, in observance of Building Safety Month, Americans are asked to consider the commitment to improve building safety and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, Aaron Nellist, Mayor of the Village of Barker, do hereby proclaim the month of May 2017 as Building Safety Month. Accordingly, I encourage our citizens to join with their communities in participation in Building Safety Month activities.

### **Proclamation -Honoring Chief W. Ross Annable On the Occasion of his Retirement**

WHEREAS, William Ross Annable, Chief of the Village of Barker Police Department officially retired on February 13, 2017, after eleven (11) years of outstanding and meritorious service to the residents of Barker; and

WHEREAS, throughout his forty years of service as a Police professional first serving the Village of Middleport and then onto the Niagara County Sherriff's department, Ross advanced through the ranks as a result of diligent work and demonstrated ability to become the Chief of Police of the Village of Barker; and

WHEREAS, Ross has served as an example to his peers, and the residents of this community and this State, both in his personal achievements and employment achievements, with fairness and dedication;

WHEREAS, on behalf of the Village Board of Trustees, we want to express our sincere appreciation to Ross for his dedication to the Village of Barker, in which he retires as a member in excellent standing.

NOW, THEREFORE, BE I T RESOLVED, that we, the Board of Trustees of the Village of Barker, take this opportunity to express our sincere and grateful appreciation, and hereby extend to W. Ross Annable, our congratulations on this well-earned retirement and our best wishes to him for continued success, happiness, and good health in the years to come.

### **Clerks Report**

- Any unpaid water accounts as of March 31<sup>st</sup>, 2017 will be levied onto the Village Tax Roll for collection in June
- Received a phone call from Joe Degnan of the NC IDA that he just finished our updated Zoning maps, I need to pick them up this week and color code them to move onto the next step of amending our Zoning law
- Clerk-Treasurer's computer has a virus and has been unable to work on anything that relates to the Internet, this includes banking, retirement reporting, online bills and payroll, Joe Flegal worked on the computer last week just to get so I could do basic functions. He took the tower to try to repair, but suggested new towers for Office computers in the next budget. With today's development we may need to replace the C/T computer ASAP
