**Resolution # 16-2017 Opposing the Elimination of the Deductibility of State and Local Taxes (SALT)**

WHEREAS Congress is giving serious consideration to eliminating the federal income tax deduction for state and local taxes;

WHEREAS this deduction, which has been in place for more than 100 years, is heavily utilized by residents of our community and our State;

WHEREAS, New York residents already pay more into the federal treasury than the federal government returns to New York;

WHEREAS the state and local deduction is a fundamental principal of federalism and without it our residents would be faced with double taxation as they would be forced to pay federal income taxes on the taxes they pay to state and local governments;

WHEREAS this federal cost shift onto local governments would place extreme pressure on municipal budgets, including diminished revenue for essential local government investments, including public safety and public infrastructure; and

WHEREAS increased federal taxation and reduced municipal services will harm our local housing market, decrease home values and erode our local tax base,

NOW THEREFORE BE IT RESOLVED that the Village of Barker expresses its strong opposition to any tax reform proposal that would eliminate the State and Local Tax (SALT) Deduction and urges Representative Chris Collins to join us in publicly opposing any such proposal.
