

Village of Barker

CODE ENFORCEMENT REPORT MARCH 2016

Mark Remington, CEO Officer

BUILDING PERMITS:

- 1707 East Avenue- Solar Panels on Roof
- 1641 Quaker Road- Demo Detached Garage

Barker Fire Department

Got a call of possible fire at 8701 Church Street-Laundromat- Owner had called me to check on Fire and gave me the code for the overhead door so firemen could check out the building. Firemen checked building and no fire was located on the property. I called owner and told him everything was OK at his building.

Working on filling out Building Code Effectiveness grading schedule questionnaire for ISO-Insurance Services Office

Met with Chris Redick, the contractor that is demoing the garage and building a new garage at 1641 Quaker Road

Called David Heckman from ISO- Insurance Services Office- make appointment to come out and go over Building Code Effectiveness Grading questionnaire
