

Village of Barker

CODE ENFORCEMENT REPORT AUGUST 2019

Mark Remington, CEO Officer

Permits Issued:

- Fence at 8715 Main Street
- Remodel at 1682-1684 Quaker Road
- Demolition at 8708 Main Street
- Porch at 1710 East Avenue

Final Inspection-remodel at 1708 Pallister Avenue

1701 Pallister Avenue

Called Hunt Real Estate and spoke to the realtor selling the property. I explained to them that I had received complaints on over grown bushes blocking (unable to walk on the sidewalk) the sidewalk on Church Street. She told me she would get with a contractor to take care of the bushes and a couple of days later they had been trimmed.

Had a recent Community Assistance call with Mary Binder-NYS DEC on behalf of FEMA on August 15, 2019 to discuss the Village of Barker's flood damage prevention program
