

Code Enforcement Report

Mark Remington

July 2015

Permits : 3 Permits issued:

- Porch – 8489 W. Somerset Rd.
- House – 8520 W. Somerset Rd.
- Porch and roof – 1694 Quaker Rd.

Other:

- 1) Spoke with property owner at 1876 Pallister Ave regarding solar panels he is having installed on roof. Answered his questions regarding the installations.
- 2) Received written complaint of yard not being mowed at 8713 Main St. The day of inspection found that yard had already been mowed.
- 3) Owner at 1707 East Ave. has improved on the cleanup of his property. More improvements are still needed.
- 4) Met with Ben Seward and obtained the blueprints and other paperwork for the new house being built at 8520 W. Somerset Rd.
- 5) Inspected the depth of the holes for porch at 8489 W. Somerset Rd.
- 6) House at 8690 Coleman Rd. has gone up for auction
- 7) Checked on work at 1694 Quaker Rd. – Porch and roof.
- 8) Met with Ben Seward a second time. He had given us 8" x 11" prints on house previously and now had company send larger blue prints of the house.
- 9) Reviewed the blueprints of the house going up at 8520 W. Somerset Rd.
- 10) Left message to owner at 1690 Quaker Rd that mowing of his lawn is again required.
- 11) Spoke to owner at 1876 Pallister Ave. for a second time, as he had further questions regarding installation of the solar panels.
- 12) Observed that a car had been removed from the property at 1667 Quaker Rd.
