

Village of Barker

PUBLIC WORKS REPORT January 2020

Mark Remington, Superintendent
Gene Cavanaugh
April Roessler
Jacob Laskey

Streets:

- Plowed & salted streets, garage parking lot and East Ave extension to the Village Hall/Police Station
- Had salt delivered, loaded into lean-to with tractor.
- List of streetlights that were out written while plowing streets.
- Got the snowblower out and started clearing sidewalks.

Water:

- Went through papers at the shop, found a list of roughly 40 meters to change. We have 14 meters in stock.
- There are 5 lead services in the Village. The homeowner at 8690 Coleman Rd is going to replace service.
- Met with Andy from Everett J. Prescott for pricing on water meters and reading systems.
- Met with the landlord and tenant at 1710 Quaker due to a high water reading. Found the toilet was leaking.
- Dig request at 8690 Coleman Rd for the new water service, located and marked curb box.
- 1711 Quaker Rd, located and marked curb box, installed new water meter and outside reader.
- Final water reading at 1705 Pallister Ave.
- Niagara County Department of Health yearly water system field compliance inspection report for 2020

Equipment:

- Took dump truck to Bad Monkey for repair
- Rinsed out inside and outside of salter.
- Washed pick up and dump truck.
- Dropped police car off at Bad Monkeys for repairs

Parks:

- Emptied garbage cans in both parks weekly
- Took lights, decorations, and tree down at the gazebo. Packed and stored away in the metal building.
- Turned breaker back on to the lights on the gazebo and light posts.

Other:

- Wrote monthly report
- Attended board meeting
- Ordered salt for delivery.
- Zoom meeting for the design review for the village hall and library.
- Installed new soap dispenser in the Village Hall bathroom
