## **PUBLIC WORKS REPORT** October 2017

Mark Remington, Superintendent  
Gene Cavanaugh  
Robert Verheyne

### Streets:

- Mowed and trimmed road sides, ditches, garage area and East Ave. property
- Removed flags from poles on Quaker Rd. and Main St. Flags stored away
- Hooked up chipper. Checked the oil and gas. Chipped brush
- Picked up flower barrels along Main St. Took barrels back to garage. Pulled flowers and stored the barrels.
- Removed dirt that was built up on side walk between 1693 and 1695 Quaker Rd.
- Trimmed trees along street sides for low branches to improve vision for plowing and school buses.

### Water:

- Inspected back flow device at 1623 Quaker Rd. Spoke with the realtor selling the house to advise no back flow is installed.
- 1641 Quaker Rd. – Obtained lock box number. Checked and has no back flow device. Called lawyer, since house is selling. Also called Town of Somerset for sewer inspection.
- Dig request at 1877 Quaker Rd. Located and marked curb box and water service to house.

### Equipment:

- Washed both trucks and detailed inside of pickup truck.
- Checked Police car. Oil was leaking underneath car. Took car to Bad Monkeys. Found leak, changed oil and filter. Car inspected.
- Went to George and Swede to pick up parts for Salter

### Parks:

- Emptied garbage can in both parks weekly
- Mowed and trimmed both parks
- Picked up branches in both parks due to high winds
- Emptied water and cleaned up water wagon. Stored away.
- Tighten bolts on picnic tables at Village Park.
- Went to Stedman's Nursery, picked out trees for Parks.
- Pine trees and stumps removed by Lake Shore Tree service in Village Park.
- Raked up stump grindings and filled in with top soil and seeded.

### Other:

- Wrote monthly report
- Attended board meeting
- Went to Shelby stone and picked up stone and filled in potholes at garage parking lot and driveway.
- Went to Standish and Jones for supplies
- Attended NYCOM Public Works Conference.
- Met with Paul Chatfield to go over five year capital improvement plan.
- Went to Car Quest for supplies.
