

Village of Barker

PUBLIC WORKS REPORT September 2017

Mark Remington, Superintendent
Gene Cavanaugh
Robert Verheyen

Streets:

- Mowed road sides, ditches, garage area and East Ave. property
- Watered plants along Main St. and gazebo
- Chipped brush
- Trimmed low branches on corner of Coleman Rd and East Ave. Also Quaker Rd. and Church St. The school bus drivers could not see traffic at corners of streets.
- Trimmed around all signs, hydrants and power poles
- Went along edges of streets and filled in with top soil and seeded. The edges were dug up from plowing.

Water:

- Examined the spot at Mayer Bros. No water was observed coming out of the grounds.
- 8707 Coleman Rd. – Final water reading and inspected back flow device.
- Read meters for the quarter.

Equipment:

- Changed blades on chipper and greased fittings
- Picked up truck was inspected.
- Went to Tractor Supply to see if they carried bearings for spreader on Salter.
They carry them, but were out of stock.
- Washed both trucks.

Parks:

- Emptied garbage can in both parks weekly
- Mowed and trimmed both parks.
- Watered plants in gazebo, bell, clock and Lion's sign
- Repaired orange snow fence at Lake Park. Damaged due to high winds.
- Cut low branches on trees in Village park
- Picked up benches in gazebo at Village Park, stored in metal building.
- Pulled out posts and rails at East end of skating rink which were rotten and broken.
- Filled in low spots in Village Park & added top soil and seeded.

Other:

- Wrote monthly report
- Attended board meeting
- Picked up branches from high winds behind garage- ditch area and ditch behind fire hall
- Moved fire proof filing cabinets so new carpet could be installed
- Carpet installed in board room and hallway. Picked up old carpets and pad and threw out into dumpster
- Vacuumed new Carpets, put everything back in board room and hallway. Wiped down everything in board room and hall.
- Fixed outside light in front of Library
- Raked up broken blacktop behind Village Hall
- Swept up around the outside of Village Hall
- Took flower boxes and brackets down at Village Hall
- Picked up topsoil at Malloys.
