

Public Works – April – 2019 Mark D. Remington / Bob and Gene

***Streets – Plowed and salted streets**

- Filled pot hole – post office – end of driveway – Pallister Ave. side
- Met with Paul – Niagara County sign shop – making street signs, Library and Mayer Bros. signs
- Picked up brush in dump truck
- Mowed road sides, ditches and East Ave. extension – Village hall and Police building

***Water – East Ave. and Main St. – marked out & called Dig Request – water main valve possibly leaking – exercised three valves in case we had to shut mains down for repair.**

- Water main valve – dug up pavement – removed curb box – got to valve – was not leaking – was repaired in the past – water was coming through the ground some were north of were we dug?

- Dig request at 1714 Pallister Ave. – located & marked water service to house.

- Met with two contractors – pricing on water repair and house services – Dan from Mar-Wal Construction & Keith from V&B Utilities

- Met with Norm Allen – Niagara County Engineer – found a few water blue prints – copied and gave them to me.

- Met with Scott Little from Lock City- listening device to locate water leak –East Ave. & Main St. – heard a lot of noise two- four feet north of valve that was dug up.

- Final water read at 1708 Pallister Ave.

- Back flow inspection at 1716 Quaker Rd.

***Equipment – Washed both trucks**

- Took plow off dump truck
- Got chipper out – had to charge battery – started !!
- Power washed salter, took salter off dump truck – stored away
- Installed tail gate onto dump truck

***Parks – Raked both parks**

- Hooked up roller and rolled both parks
- Replaced flag in village park
- Emptied garbage cans in both parks weekly
- Started edging around trees in village park – getting ready for mulch
- Mowed both parks

***Other – Wrote monthly reports**

- Started going through items in metal building – organizing
- Installed door alarm – when people walk through door – village hall
- Board meeting
- Covered office
- Meeting – Engineer went over future plans for Village hall & Library
- Dropped off recycle bins at 1700 Pallister Ave.
