

# Village of Barker

---

## **PUBLIC WORKS REPORT** April, 2017

Mark Remington, Superintendent  
Gene Cavanaugh  
Robert Verhey

### Streets:

- Cleaned up along north side of Main St. Did all of sidewalk and 10 feet of Main St. due to grit and stone from plowing.
- Cleaned up in front of village hall, along the concrete bumpers and along curb at the village park.
- Picked up branches with loader on tractor.
- Plowed streets, village parking lot, shoveled walkway and steps in front of village hall and the library.
- Mowed roadsides, ditches and East Ave property.
- Went around village and raked and picked up debris at intersections and the edges of streets, from plowing snow.
- Chipped brush
- Picked up two large piles of vines and prickler bushes that couldn't be chipped.
- Cut and chipped tree that fell down on Coleman Rd. by village sign and ditch.

### Water:

- Installed new water meter at 8689 Coleman Rd. The current meter had stopped working.
- Somerset Sails and old bank. Working being done in the driveway. Loaded two curb boxes, so that they wouldn't get snapped off by bobcat that was excavating the driveway.

### Equipment:

- Got chipper and hooked up battery and started. Changed the oil and filter. Also filled the hydraulic fluid.
- Picked up weed eater and chains for chainsaw at Gordon Fisk. At same time dropped off gas powered hedge clippers for tune up and sharpen blades.
- Power washed salter, disconnected and took salter off dump truck.
- Power washed underneath dump truck, washed the plow . Took plow off and stored away.
- Hooked up plow to pickup truck and took from main garage and stored away in metal building.
- Took dump truck to Sutches' garage and had inspected.
- 2301 tractor would not start. Found that the fuse had blown.
- Picked up new roller and dump wagon at Tractor Supply.
- Installed side panels and tarp on dump truck to get ready for chipping.
- Chipper broke down. Took back to shop and repaired it. It needs new seals, due to blowing oil.

### Parks:

- Raked and removed dirt on east end of village park, due to debris from plowing parking lot.
- Emptied garbage can in Lake Park weekly
- Raked, trimmed and mowed both parks.
- Picked up a couple of corner posts for split rail fence at Lake Park.

### Other:

- Wrote monthly report
- Called 2 more paving companies.
- Ordered diesel fuel
- Pulled old plants from barrels to get ready for new plants.
- Went to Standish & Jones for supplies.
- Bob is working out very well. He has been reliable and shows himself to be a hard worker.
