### **Streets:**

- Plowed & salted streets, DPW garage parking lot and East Ave Ext to the Village Hall
- Ordered salt delivery
- Pushed back snow piles on North and South sides of Main St, at the Village Hall and intersections.
- Went around the Village tried to free up storm drains that were clogged with debris due to the large amount of snow melt and 1-2' of rain, creek was just about to it's max level.

### **Water:**

- THA & HAA water testing. Tok water samples from 1889 Quaker to Niagara Falls testing lab
- Got a call from Ryan with Thee Barker Store, he had a broken water pipe in the building. Shut the water off at the curb box, had to remove large snow pile to get to the shut off.
- Broken water pipe in basement at 8735 Main St. Located curb box, shut off water to the building. Difficulty in locating the curb box due to the owner of the property having don't work and broke off the top of the curb box.
- Back flow inspection at 8676 Coleman Rd. House sold
- Installed new water meter and outside reader at 1611 Quaker Rd North.
- Turned water on at curb box at 1715 Quaker Rd. Owners coming home from Florida.

### **Equipment:**

- Washed pickup truck and detailed inside of Dump truck
- Pickup truck to Bad Monkey's Garage due to the engine light being on and it running rough. Installed new points and plugs.
- Emptied salt out of salter, rinsed salter out
- Picked up cutting edge for 9' plow on dump truck at Niagara Equipment.
- Mike Conner – Removed nail from tractor tires.
- Met with Dave from RTI Auctions, looked at both trucks, getting prices for both.
