

# Village of Barker

---

## **PUBLIC WORKS REPORT** November 2024

Mark Remington, Superintendent  
Gene Cavanaugh  
Mike Diez

### **Streets:**

- Chipped brush – put sta bil in gas, pulled battery and stored away in metal building
- Mowed roadsides, ditches, East Avenue property and garage area
- Town Highway department - brush hogged ditch along pikes – south end of village
- Removed barrels from Main Street – pulled plants and stored away

### **Water:**

- THM and HAA water testing – took samples at 1889 Quaker Road – took to Niagara Falls lab to be tested
- Checked water service in basement at 8688 Coleman Road – copper service through foundation
- Dig requests at 1712 East Avenue and 8520 West Somerset Road – located and marked curb boxes
- Fixed water service leak at 1637 Quaker Road

### **Equipment:**

- Took new dump truck to Niagara Equipment – wired truck for salter, flashing lights on back of truck and snow deflector on plow
- Took mowing deck off tractor, cleaned up deck, greased fittings and stored away in metal building
- Loaded salter onto dump truck with help from Town Water department – backhoe – hooked up wires

### **Parks:**

- Mowed and weeded both parks
- Emptied garbage cans in both parks
- Raked leaves in both parks
- Pulled plants around bell, memorial and lions sign

### **Other:**

- Board meeting
- Wrote monthly reports
- Pulled plants around flagpole at village hall
