

Village of Barker

PUBLIC WORKS REPORT November 2020

Mark Remington, Superintendent
Gene Cavanaugh
April Roessler
Jacob Laskey

Streets:

- Mowed roadsides, ditches, East Avenue property, Village Hall & Garage area
- Called National Grid about the tree that had fallen on the power lines behind the Village Hall from the high winds the night before-power pole #9 ½ on Coleman Road had snapped at the bottom leaning towards road & pole had streetlight on it. Also, a pole at Hosmer Road & Townline Road had snapped at the base.

Water:

- Owner of 1655 Quaker Road wanted water turned on at the curb box- building has sale pending-turned water in the morning and the owner called back in the afternoon to say he still did not have water. Located an old curb box that was shut off- turned both curb boxes on and had to replace plate on the bottom of the water meter

Equipment:

- Washed both trucks
- Greased fittings on dump body
- Replaced cutting edge on 9' western plow-dump truck
- Brought cab, door & bracket for B2601 tractor from metal building into main garage

Parks:

- Emptied garbage cans in both parks
- Mowed both parks
- Picked up branches in both parks
- Started decorating gazebo for Christmas

Other:

- Wrote monthly report
- Attended Board Meeting
- Shelby Stone-picked up stone for the garage parking lot & low spot in front of Village Hall
- Cut & removed large branches from tree that fell behind Village Hall
- Cut & removed branches on Coleman Road that had fallen off a rotten tree
- Standish & Jones for supplies
- Zoom meeting with the Engineers & Board members- going over drawings of Village Hall & Library
- Bought mouse traps and set up in the Village Hall & DPW Garage
