

Village of Barker

PUBLIC WORKS REPORT October 2020

Mark Remington, Superintendent
Gene Cavanaugh
April Roessler
Jacob Laskey

Streets:

- Prepared chipper and dump truck ready for chipping
 - Checked gas and oil in the chipper
- Went around the Village and chipped brush, we are now done for the season

Water:

- Dig request at 1718 Pallister Ave, 8735 Main St and 1628 Quaker. Located and marked water services and mains

Equipment:

- Put sta-bil in gas on chipper, ran it for awhile and stored it away in the metal building
- Had work done on the pickup truck and dump truck at Bad Monkeys

Parks:

- Emptied garbage cans in both parks weekly
- Picked up branches in both parks
- Removed flags and the banners at the gazebo, removed flags around the bell at the lake park
- Replaced the broken outlet covers at the gazebo
- Worked on socket and changed bulb on the West light post in front of the gazebo

Other:

- Attended NYCOM Public Works Virtual School
- Standish Jones for supplies
- Started to reorganize the metal building to prepare for the new garbage totes
- Raked and picked up leaves around garage area
- Conference call with company regarding garbage carts
- Went through flags from the poles and removed any that were ripped and faded
