

Village of Barker

PUBLIC WORKS REPORT January 2017

Mark Remington, Superintendent
Gene Cavanaugh
Robert Verheyn

Streets -

- Plowed and salted streets, village hall parking lot, East Ave. extension and garage parking lot.
- Shoveled walkway and steps at village hall and Library
- Salt delivered and loaded into lean-to.
- Cleared debris from all drains due to heavy rains
- Installed new post and fastened 30 MPH speed sign going into village - North

Water -

- Water reading at 8514 W. Somerset Rd. and 8690 Coleman Rd.
- Possible water leak at Mayer Bros. Called in dig request. Marked the area and dug up spot with assistance from Somerset water dept. No leak found. Filled area back in.
- Hooked up outside water readers at 1724 East Ave., 8701 Church St., 1876 Pallister Ave. and 1684 Quaker Rd.
- Obtained another water reading at 1880 Pallister Ave. due to home owner questioning the bill. Reading was correct. Advised homeowner that they may have a leak in their home.
- Changed water meter and outside reader at 1708 Pallister Ave due to outside reader had stopped reading.
- The tenant at Rutland's (1708 Pallister Ave) called to complain has been very low after having meter changed. There was no problem with meter but shut off valve was old and would not open all the way. Shut off water at the curb. Replaced valve and fittings to the meter. Pressure now normal.

Equipment -

- Washed off salt on tractor and box-salter on dump truck.

Parks-

- Picked up garbage at lake park.
- Took down Christmas decorations on gazebo in park and stored away.
- Obtained fire hose and meter. Hooked up to hydrant and filled both sides of skating rink. Used 384 gallons of water.

Other-

- Picked up Christmas decorations at village hall and stored away in metal building.
- Opener to overhead door in metal building stopped working. Sunrise door came and fixed opener.
- Wrote monthly report
- Picked up portable radios from County
- Met with several contractors for estimates on paving and excavation the village hall parking lot and the garage parking lot.
- Went to Standish and Jones for supplies
- Worked on Budget
- Attended board meeting
- Went to Town of Lockport Highway Department to pick up orange cones that were ordered.
