

# Public Works Report

May 2015

Mark Remington, Superintendent

Gene Cavanaugh

Matt Smolinsky

## Streets:

- ✓ Mowed road sides, ditches, garage area and East Ave. property.
- ✓ Put flags up on power poles on Quaker Rd. and Main St.
- ✓ Contractors started paving intersections
- ✓ Planted flowers in barrels and placed on Main St. and placed hanging baskets in gazebo.
- ✓ Tore out old plants in front of Village Hall- Planted new plants and mulched.
- ✓ Chipped brush

## Water:

- ✓ Quarterly water testing – THM/HAA . Transported the samples to Niagara Falls water treatment.
- ✓ Met with Niagara County water. Hooked up reader to water main pit and was shown how to operate.
- ✓ Went and read meter at 1:30am & 3:00am. Read gallons per minute. Then shut valve down to Meyer Bros. Reading per minute went down 5.2 gallons.
- ✓ Met with Cindy Steffen to pin point leak on water main.

## Equipment:

- ✓ Changed blades on mower deck.
- ✓ New tractor is in. Waiting for mowing deck and snow blower.
- ✓ Washed tractors and trucks.

## Parks

- ✓ Mowed and weed eaten parks
- ✓ Emptied garbage cans weekly.
- ✓ Checked lights on gazebo. A few of the lights were not working properly.
- ✓ Cut low hanging branches in the park.
- ✓ Raked the grass clippings in the village parks.
- ✓ Contractor replacing railings on gazebo in village park.

## Other:
