

# Village of Barker

---

## **PUBLIC WORKS REPORT**

Mark Remington, Superintendent  
December 2022

Gene Cavanaugh  
Mike Diez

### **Streets:**

- Lake Shore Tree Service cut down two trees on Main St. and ground the stumps.
- Drove around and made a list of streetlights that are out.
- Unclogged storm drains after heavy rains.
- Plowed and salted streets, village hall, and garage parking lots
- Got equipment ready for possible blizzard weather conditions. Filled both trucks with fuel, salter loaded and inside for quick freeze after rain. Checked gas and oil in both chain saws and hooked up the plow to pickup truck.

### **Water:**

- Dig Requests - Located and marked water services:
  - On school property- digging for power pole
- Backflow Inspections:
  - None this month
- Water Shut Off:
  - None this month
- THA & HAA Test:
  - None this month
- Read water meters for the quarter
- Met with Dan from Niagara County Health Department. Yearly inspection for Class D water license.

### **Equipment/ DPW:**

- Installed cab onto B2601 tractor. Hooked up wires to battery for fan and wiper. Installed snow blower and tested.
- Emptied salt out of the salter- rinsed off salter, dump truck, and pickup truck.
- Rinsed off front loader and greased fittings.
- Vacuumed and detailed the inside of the pickup truck.
- Greased fittings on the salter.

### **Parks:**

- Village Park:
  - Emptied garbage cans.
  - Closed gate valve in skating rink.
- Lake Park:
  - Emptied garbage cans.

### **Other:**

- Zoom meeting to go over Phase 2 on Village Hall/Library build.
- Work session meeting.
- Went through paperwork on deck and organized everything.
- Ordered gas delivery for the garage.
- Had a couple of calls on raccoons in the Village. Called the DEC officer- officer came out and took care of the raccoons.
- Got orange barrels, closed street signs, cones and garbage cans ready for the Light Up Barker event.
- Replaced water stained ceiling tiles at the Village Hall.
