

VILLAGE OF BARKER FAQs FOR CART BASED PROGRAM

WHY DID THE VILLAGE MOVE TO CARTS?

The local solid waste industry is transitioning to cart based collection as a means to increase worker safety and reduce labor expenses. Cart based Trash Collection is a much more efficient means to collect solid waste. The Village choose this option to reduce the projected increase of garbage & EOW recycling cost.

AM I ALLOWED TO THROW ANYTHING I WANT INSIDE MY TRASH CART?

You are allowed to place all household trash inside your carts. Compressed cylinders (propane tanks), Liquid waste (oil, paint), electronics, hazardous, radioactive and explosive wastes are prohibited.

I DON'T WANT TO PARTICIPATE IN THIS PROGRAM, CAN I "OPT OUT"?

All Single, Double, and Triple family parcels are required to participate in the Village's refuse collection program. Each property must have one cart issued per number of units on the property. For example, a double family home will be issued two carts.

WHAT DO I DO IF I AM CLEANING OUT MY HOUSE OR GARAGE? I USED TO BE ABLE TO PUT EVERYTHING OUT AT NO CHARGE?

If you are doing a renovation or clean-out, you should contact a local private hauler for a dumpster or make arrangements with a debris removal company. Or, take advantage of disposing 3 bulk items during dedicated bulk week each month.

WHEN CAN I PUT OUT LARGE TRASH ITEMS?

Residents are allowed to place out a total of three (3) bulk items each month during a dedicated "bulk waste" collection week. Please review the material mailed to you and also posted on the website to determine when bulk collection will take place. Normal bagged household trash is not considered a bulk item and must be placed in your trash carts or have an "additional capacity tag" attached to be collected.

WHERE CAN I DISPOSE OF LEAF AND YARD DEBRIS?

The Village allows you to drop off yard debris at the DPW Garage lot between the hours of 7:30am-3:30pm. You may place yard and leaf debris into you cart. If you have an excessive amount, you are encouraged to find alternate disposal or composting means.

WHAT IS ALLOWED AT THE CURB?

Each week you are allowed to place your trash cart out for collection. Please be sure the lid can close on your cart. Any additional waste outside of the cart must have a Town issued sticker for collection. Additional "bag tag" waste is limited to one 30-gallon bag of waste that does not weigh more than 40-lbs. During bulk week, three bulk items are allowed out for placement. Recycling shall be placed out every-other-week.

WHAT IF I WANT TO PUT OUT MORE WASTE?

There are options if you have more waste than what will fit inside your cart. You may purchase additional capacity stickers for \$5 per tag at Village Hall, or if you need more consistent capacity, you may request an additional cart. Additional carts, however, will not be available until after March 1, 2021. You will be responsible to purchase the extra cart at the cost of \$50.00.

CAN I PURCHASE AN ADDITIONAL CART FROM SOURCES OTHER THAN THE VILLAGE OF BARKER?

No. The Village has contracted with Modern for collection from ONLY Village issued carts. Any other cart or can placed out for collection will not have the contents emptied. If you have previously purchased a garbage cart from Modern, and wish to not receive a Village issued cart, please contact the Village Clerks office at 716-795-3777

We encourage you to clear a spot to place your cart when snow is on the ground. If you would like to place your cart in your driveway, you are welcome to, but please expect your cart in the same location after it is emptied.

WHAT HAPPENS IF A CAR PARKS IN FRONT OF MY CARTS?

We respectfully request that you place your carts out of the way of obstructions such as telephone poles, bulk waste, hydrants, parked cars and mailboxes. If a car parks in front of your carts, often the driver will collect them anyway, but if the issue is persistent you may be requested to relocate your carts.

WHAT HAPPENS IF MY CART BLOWS OVER?

We request that you make every effort to place your cart on stable ground. On very rare occasions, if a full cart blows over, please attempt to stand it up and clean up any litter.
